## **We Remember Them**

At the rising sun and at its going down we remember them.  
At the blowing of the wind and in the chill of winter we remember them.  
At the opening of the buds and in the rebirth of spring we remember them.  
At the blueness of the skies and in the warmth of summer we remember them.  
At the rustling of the leaves and in the beauty of the autumn we remember them.  
At the beginning of the year and when it ends we remember them.  
As long as we live, they too will live, for they are now a part of us. As we remember them.  
When we are weary and in need of strength we remember them.  
When we are lost and sick at heart we remember them.  
When we have decisions that are difficult to make we remember them.  
When we have joy we crave to share we remember them.  
When we have achievements that are based on theirs we remember them.  
For as long as we live, they too will live.  
For they are now a part of us, as we remember them.

## **HIS JOURNEY HAS JUST BEGUN...**

Don't think of him as gone away  
His journey's just begun,  
Life holds so many facets  
This earth is only one.

Just think of him as resting  
From the sorrows and the tears,  
In a place of warmth and comfort  
Where there are no days and years.

Think of how he must be wishing  
That we could know today,  
How nothing but our sadness  
Can really pass away.

And think of him as living  
In the hearts of those he touched,  
For nothing loved is ever lost  
And he was loved so much.
